

Bermuda Company Registration Details

Background of Bermuda

Bermuda is a group of about 150 small coral islands in the North West Atlantic. Its area is 53.3 sq. km. The population of Bermuda is about 60,000 and is made up primarily of people of European and African origin. Bermuda enjoys one of the highest per capita incomes in the world, though its only natural resource is limestone. Bermuda successfully exploits its location by providing luxury tourist facilities and financial services. The official and spoken language is English.
