

## Delaware Company Registration Details

### Background of Delaware

The State of Delaware is the second smallest state in America, situated on the east coast of the United States. Presently 800,000 people populate this English-speaking democratic state.

Delaware is the leading jurisdiction for the incorporation of companies in the United States (US). Companies incorporated in Delaware account for more than half of the Fortune 500 companies as well as one out of every three companies listed on the New York Stock Exchange and the American Stock Exchange.
